Flats Forward
Corporate Membership
With your membership contribution to Flats Forward, we will be able to focus our efforts on creating a Flats Master Plan, continue to hold community meetings and provide feedback, conduct focused studies of existing and future assets and resources, and advocate for improved quality of life in the Flats.

Membership benefits include access to our monthly e-newsletter, highlighting the projects and current events happening in the Flats. You will also be invited to our stakeholder meetings, where you will be briefed on any Flats development news and be able to voice your opinions and questions. If you choose a Corporate Membership, your company logo will be displayed on our website: flatsforward.org.
